## Quiet Beauty, Etched In Every Tile

FUZ Felt Flat Etched tiles combine sleek, modern designs with high-performance sound absorption. Made from durable PET material, these tiles adhere directly to walls and ceiling, and drop right into ceiling grids, offering a stylish and functional solution for reducing noise and enhancing any space. With standard and customizable patterns, they seamlessly blend aesthetics and acoustics, making them perfect for offices, homes, and commercial environments. Easy to install and available in a variety of colours and textures, these panels turn walls into art while creating quieter, more comfortable spaces.
